

PowerPoint Drawing Exercise

You will take advantage of the Drawing Toolbar to create the map below.

1. Open a new presentation.
2. Ensure slide 1 is a Blank slide.
3. Create the map depicting the directions to IT.

4. Have the roundabouts in green.
5. Have the IT box in red.
6. Have the UWE in blue.
7. On completion, group all objects together so that the road map is one whole object.
8. Save the file as IT Map.
