

College of Management and Technology

Bath Training Centre

By Road

From the M4, leave at junction 18, south on the A46 to Bath. At the traffic light controlled roundabout turn right onto the A4 to Bath. After Morrisons supermarket keep in the left lane and turn left, still on the A4, at the traffic lights, pass the fire station. At the next traffic light junction turn right, straight across at the next large roundabout, straight on at the next set of traffic lights under the bridge. Over the canal bridge and immediately take the second turning on your left for Combe Down. At the top of the hill turn right. The site is about half a mile on the right a few yards after the third zebra crossing.

From A36, after dropping down the hill from Limpley Stoke and across the viaduct turn left at the traffic lights and up Brass Knocker Hill. At the top of the hill turn left past Wessex Water. After about a mile and a half the site is on the right a few yards after the zebra crossing.

From the A367, straight on at the first large roundabout (Park and Ride on your right), half a mile further on turn right at the roundabout into Frome Road. At the double mini roundabout straight across into Bradford Road. Just over half a mile the site is on your left.

By Rail
